Introduction

Charlotte who ?

Awooooo !

Am Charlotte, nice to meet you c:

I can also go by : Cha, Cham, Amélie, or my username, frezlotte, frèz (yes it sounds like strawberry in french :3)

Am a 25 yo woman from Fribourg, always lived in this canton since i spawned.

I do a lot of stuff if it's interesting to me, but especially around IT (worked for 7.5 yrs as programmer), home automation, services hosting, security/OSINT, electronic, computer generated graphics (cables.gl / WebGL), music (prod+piano (just starting))

I'm very silly, sometimes too much so, feel free to reach out if i ever {did/could} hurt anyone

Other than that i love having ppl over at my place, i made it extra cosy, lots of pretty lights comfy plaids and bean bags big projector and a lot more

Also have >100 plushies, im doing an inventory cause it takes too long to count them all >~<

Looking forward to exchange/meet with y'all (J ✧▽✧)J

What i don't like

What i don't like

Social :

- People trying to finish my sentences with little to no idea of what i'm gonna say
- People that think they know what i want so they don't ask me and it ends up being the opposite of what i want
- People that asks to ask, just ask please... ([dontasktoask](#) / [nohello.net](#))
- Not keeping secrets secret
- lies
- Taking roundabout/far-fetched measure to avoid confrontation / a subject
- Being dishonest
- People who constantly talks about weather
- Senseless conflicts
- Loud talking at night or morning when my ears a very sensitive

Environnement :

- Phobia (kinda) related
 - Closed space without ventilation (i need fresh air)
 - Hot moist air
 - Being unable to move (i might freak out)
- Trauma
 - Sudden and/or loud noises (esp. in my ears)
 - VSS / Gore subjects
 - -> my brain is very efficient at cloning situations like that and making me have nightmares / sleep paralysis with me as the victim
- Bright light
- Yellowish light, uncanny -> anxiety
- Fluorescent light source and HDR -> Ophthalmic migraine / Anxiety
- Dishes that are not perfectly spotless
- Windows and Sharepoint
 - Objectively waste of time and efforts

Misophonie

Doing some specific noise in my ears can trigger me:

Wat	Distance de mes oreilles	Apply to online convo	note
Teeths noises	<= 0.5m		Makes me realllly uncomfy
Finger popping	<= 3m	If loud	
Mouth (moist) noises	<= 1.5m	If loud	
Burps	<= 1.5m	IT DOES	Yuck
